Martin

I'm a dreamer by nature. I have been living in Paris downtown for years now, I'm a musician and an entrepreneur (in some way), a storyteller and art lover. I love making new friends and sharing my findings about the history of Paris and its hidden stories after years of research and digging alongside historians and passionate friends. Sharing those hidden secrets, the french flavors and meeting people are part of some of my biggest dreams ever. Welcome to my dream, maybe your dream is just around the corner. Paris is yours!

Conditions

All services must be reserved at least 24hs before the wished date and time. After that period we could accept reservations according and subject to our availability and criteria. In that case, for last minute requests, please call to the phones published/informed below. There are no exceptions for these conditions described below in this section, even for last minute requests.

If you are late for your tour or you have troubles to find the meeting point, please give us a call to +33620597357 or +33613932316 or +33651643546. If were not picking up the phone in one of these phones try the other ones. You can cancel up to one week prior to the tour at no charge (except for those fees related to means of payment, banks, and our administration costs or other due to time and fees that provokes your cancellation). After that period and up to 72hs before your tour, you will be charged 50% of the total amount of your reservation. Were a small company and in order to guarantee your spots we refuse other reservations that we cannot recover later on. After that period and/or not showing up (no show), and/or showing up partially (part of the group : means you pay for the rest of the group no showing-up cause we loose those spots) and/or being late more than 30 minutes and/or refusing to start o continue the service, means that we have the right to charge you 100% of the total amount of your reservation with no exception. If we, Paris by Martin (MP Associes SARL) are late for some reason, you accept to wait for us for the same period, up to 30 minutes. After that period you will be able to decide if you want your money back or giving us some more time to get there (in this last case and if we are able to do the tour, some compensations will be offered by us to you according to our criteria and no negative comments will be published in this matter as well for the 1st case if it is a case of force majeure). In the case you accept the conditions in a time when it is already considered as « penalties/charges » time, you asume and accept that, that is your condition, for the situations and periods described and therefore you will be charged as explained.

In order to confirm your reservation we will ask you at least: 1-CONTACT INFORMATION IN PARIS - to provide full information of your hotel or appartment in Paris including the surname and/or surnames which you are registered in that place and at least 1 cell phone working in Paris, 2-ACCEPTANCE OF CONDITIONS - to accept our conditions (includes the cancellation policy) by e-mail (emails are considered legal documents in France as well as sms). The fact of sending an email requesting a tour date and time after we sent you (previously) an email with availability and conditions means that you have accepted our conditions (that always includes reservation and cancellation policies already described). 3-DOWNPAYMENT: the partial or full payment of your services according to our company criteria for every particular case (you must confirm the amount with Paris by Martin (MP Associes SARL) before sending the payment (if you send a payment with out asking and checking cannot be considered as a full filled condition).

Not accepting part and/or all of these conditions means that your spots are not guaranteed and that we will not wait for you at the meeting point. If you show up without having a confirmed reservation means that you accept from that moment all these conditions. Paris by Martin (MP Associes SARL) reserves the right to choose to do the tour or not. If we agree to do a service for you, we will ask written acceptance of our conditions (SMS to +33620597357 and/or email to mpassocies@gmail.com) or any other request according to our criteria to prove you showed up.

Due to the increasing amount of people with medical conditions « in the last minute » before the tour, we let you know that is not a valid reason to avoid the cancellation fees. We are refusing a high number of reservations to guarantee your spots that we cannot recover. If you send us your valid official french medical certificate the same day that you were supposed to do the tour we may offer you a reduction of the cancellation fees that will never exceed 20% of the total amount and we can send you an invoice for you to try to recover your cancellation fees via your Credit Cards cancellation insurances.

We do not cancel due to rain, wind or cold weather. We lend you gloves, raincoats and/or umbrellas depending on the type of tour and also electric heated vests if temperature is lower than 6°C during the whole tour. Cosyness is guaranteed! Only Paris by Martin (MP Associes SARL) can cancel a tour or a service due to weather conditions according to the company criteria. IF it's a picnic tour and it is to cold to do the picnic, we will give you « our fancy doggy bags » so you can enjoy at home after the tour.

Tracing the tour on apps or other means, as well as filming, recording audio during the tour is banned. Playing or selling or sharing what we offer - be it partly or wholly - is prohibited, as everthing its protected by the intellectual and brand property law.
