Martin

I'm a dreamer by nature. I have been living in Paris downtown for long time, I'm a musician and an entrepreneur, a storyteller and history lover. I love making new friends and sharing my findings about the history of Paris and its hidden stories after years of research and digging alongside historians and passionate friends. Sharing those hidden secrets, the French flavors and meeting people are part of some of my biggest passions ever. Welcome to my dream, maybe your dream is just around the corner. Paris is yours!

You also accept that you have previously read, understand and accept our conditions and policies previously when sending a web site reservation request form. Is your own/exclusive responsibility if you read them or not and if you communicate them to your reservation participants.

CANCELLATIONS AND REIMBOURSEMENTS: you can cancel up to **one week prior** to the tour at no charge* After that period and **up to 72hs before your tour**, you will be charged 50%* of the total mount of your reservation (or reimbursement of 50%* of your reservation if you have prepaid the whole reservation).

Some particular examples: if some of your reservation participants cancel in advance (partial cancellation), we will apply the same cancellation policy for the proportion that is been cancelled. This means if there are 2 participants cancelling in a reservation of 4 within one week from the date and time scheduled-start of the tour, we will reimburse you 50%* of those 2 places, if you have pre-paid in full OR, we will charge you 50% of those 2 spots of the amount to complete their portion of the rate according to the policy.

Were a small company and in order to guarantee your spots we refuse other reservations that we cannot recover later on.

Cancelling after that period of 72hs, and/or not showing up (no-show), and/or showing up partially (part of the group: means you pay for the rest of the group no showing-up because we loose those spots) and/or being late more than 30 minutes and/or refusing to start and/or continue the service at some point, means that we have the right to charge you 100% of the total amount of your reservation with no exception.

IMPORTANT 1: *reimbursements in all cases and circumstances, do not include fees, commissions and costs of independent entities such us: banks, credit cards, PayPal, payment platforms, etc. (which ARE NOT reimbursable at all and it is beyond our possibilities to manage them).

IMPORTANT 2: * you agree that for cancellation requests (taking in account the moment you request to cancel and/or for reservations/services to be rendered for these following described months of high season), on the months of March, April, May, June, July, August, September, December, a 20 euros cancellation additional fee/cost could be added, due to the volume of reservations and cancellations, that our little structure has to manage (this fees/cost will be taken from your 100%*, 50%* reimbursement, if it is the case).

You accept as per our terms, that all the reimbursements given in regular, normal conditions/contexts will be immediate* (*IF POSSIBLE, because PayPal and banks, credit cards, etc. could take some days to communicate and send money between them and this has nothing to do with our company. *IF it is NOT possible, we will send the reimbursement within 35 days from the date of the cancellation request) ...
